# Dedication

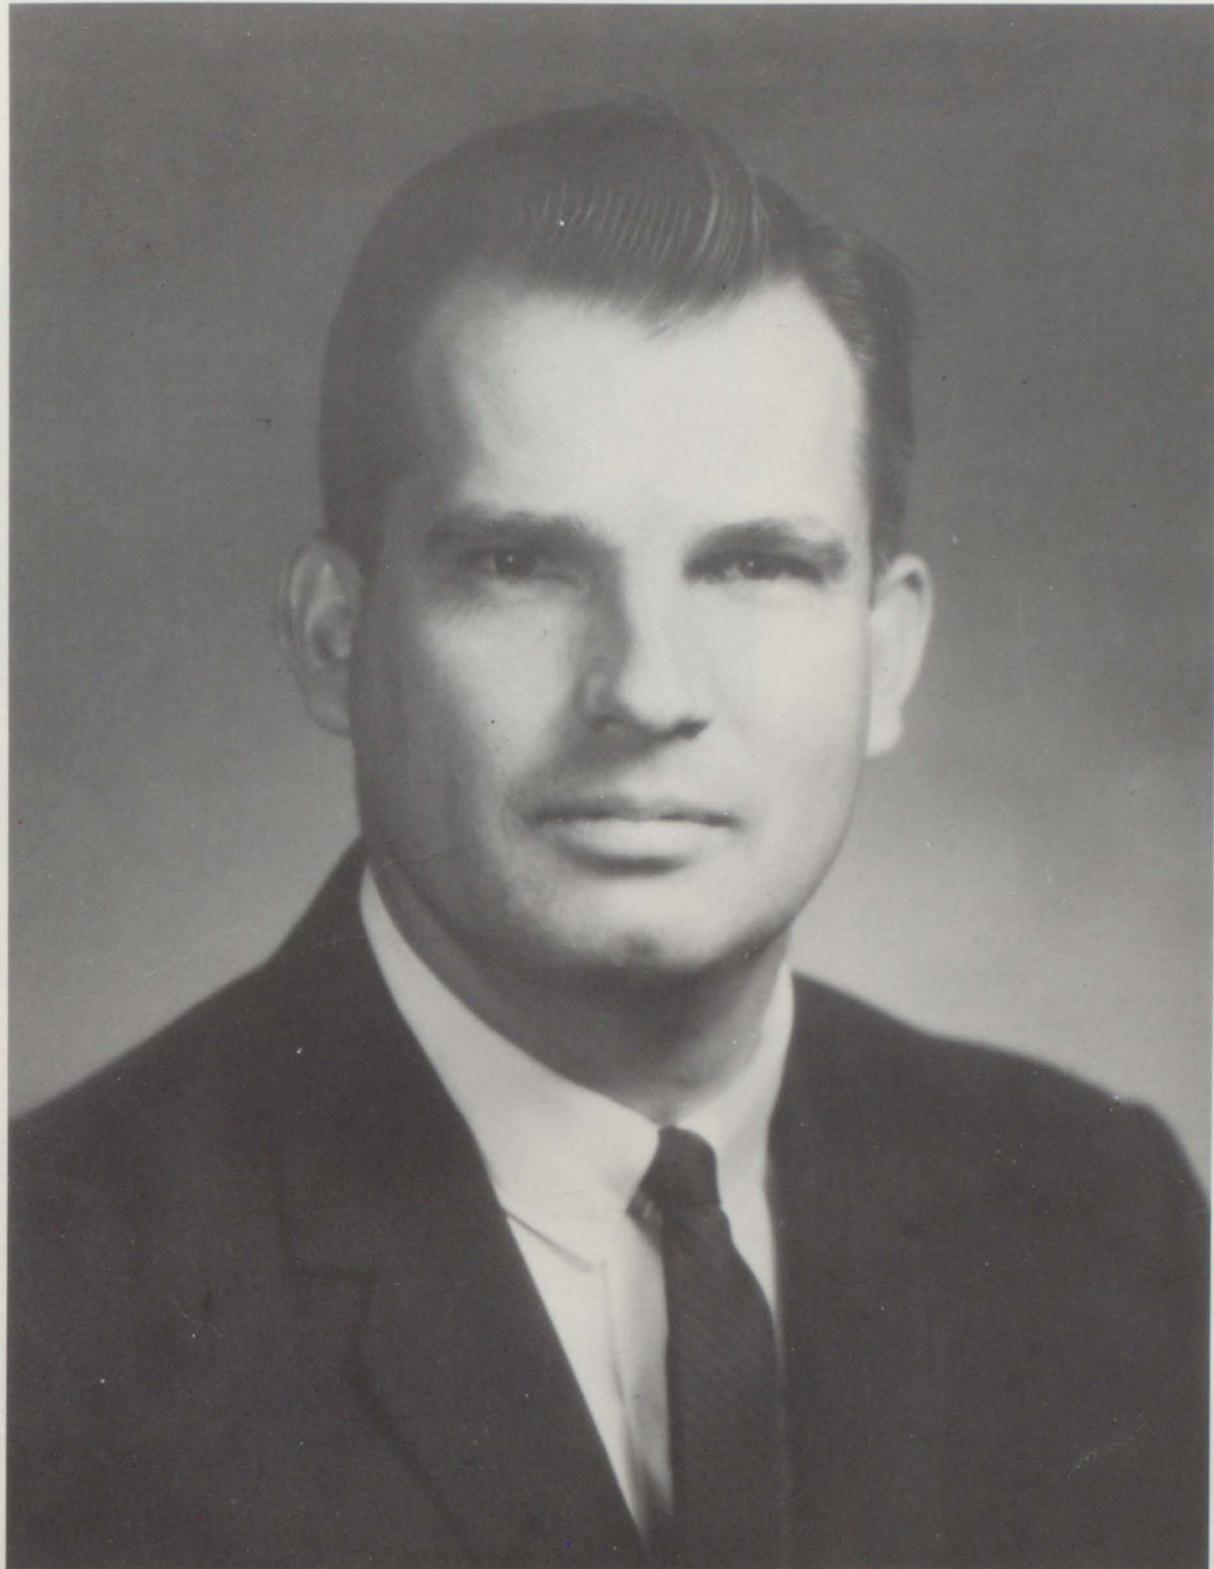

The dedicated leadership of Lamar Foley at his Alma Mater has been especially effective in making Elba High School a true high school, by enlarging its endeavors through instruction, a self-study, and extension of facilities.

His boundless energy enables him to encompass a tremendously busy schedule day by day; yet, he is always ready with a warm smile and friendly manner to listen to our point of view. He typifies the spirit of student-faculty cooperation of which we at Elba High are very proud. He displays an understanding and appreciation of the needs and problems of students and faculty alike.

Mr. Foley has been sensitive to all components of our school; in turn many have responded with strength, demonstrating their dedication to our school. Thus, his interest, concern, and untiring effort have resulted in the attainment of a goal which he has held before us — a qualified faculty, quality instruction, and an enlightened student body as Elba High School this year became accredited by the Southern Association of Colleges and Schools.

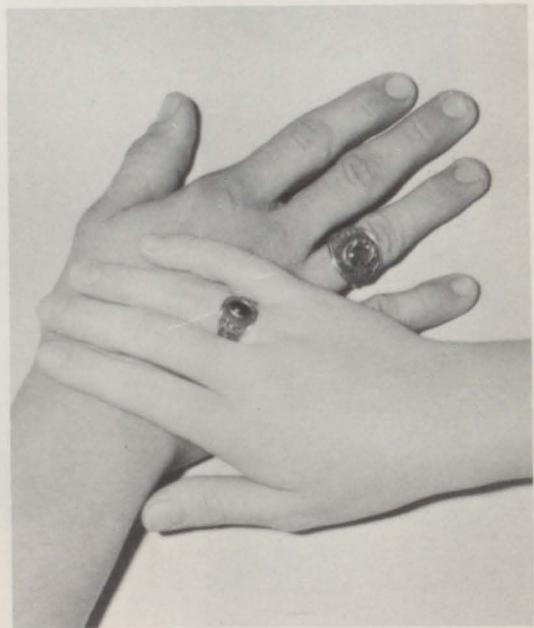

We have come to know our principal as a friend, to respect him as an educator, and to admire him as a real person. To such a remarkable man, the Seniors do proudly dedicate this, The 1968 ELBALA.

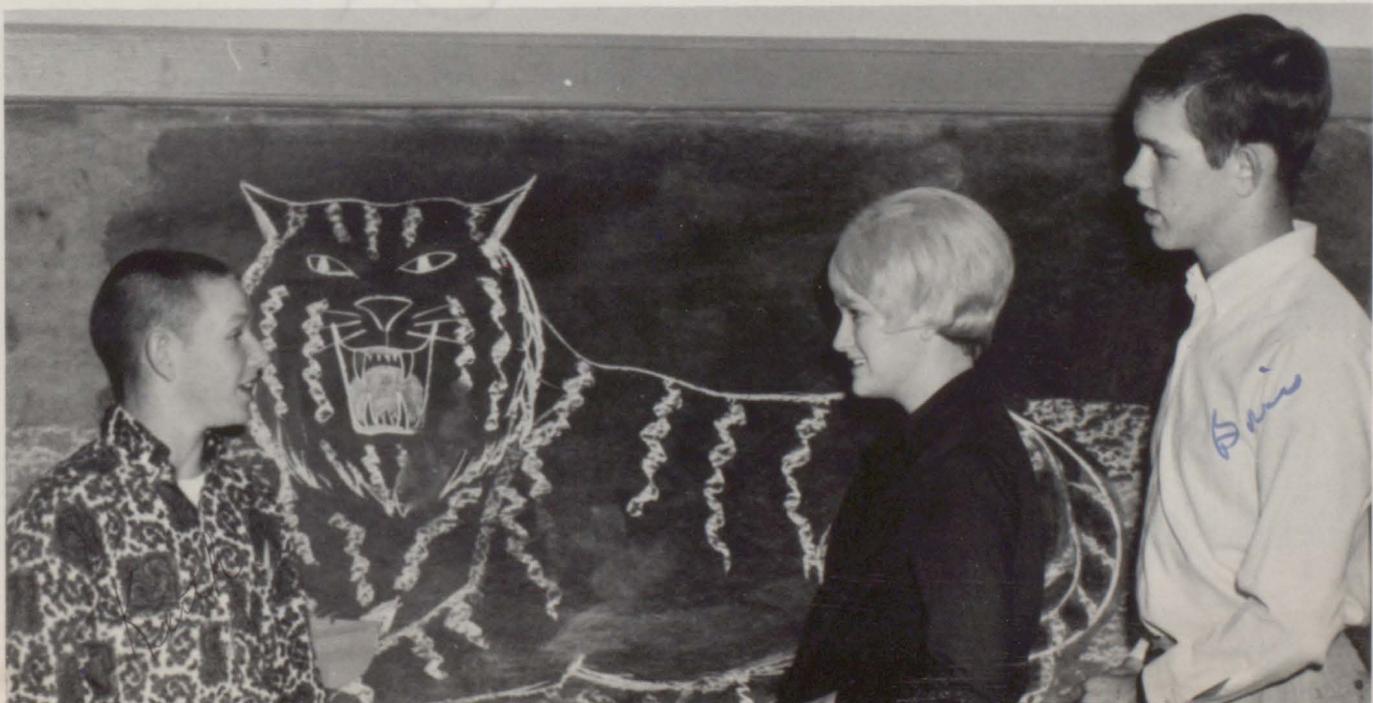

LAMAR FOLEY

A High School Is Active Spirit. It's The  
Excitement, The Joy, The Energy

Of Its Students. This, Then, Is . . .

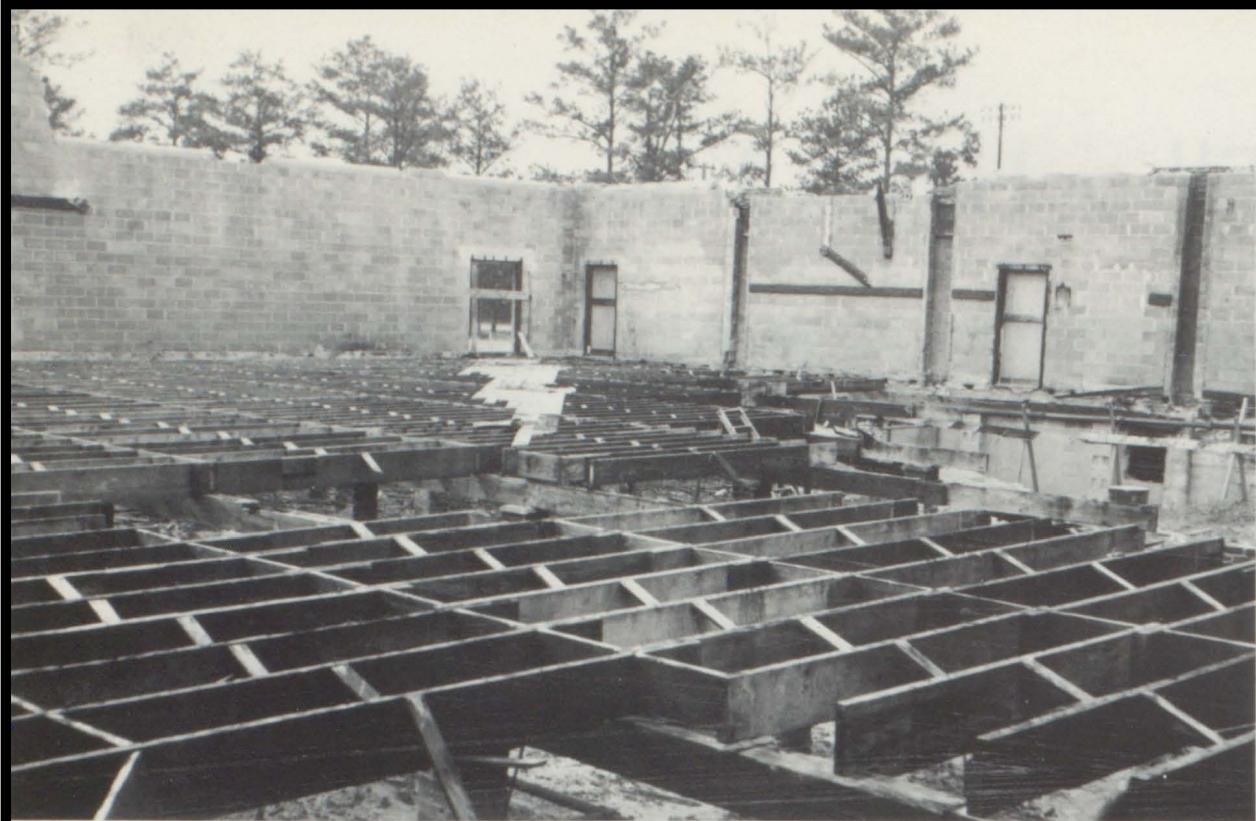

the SPIRIT of

# Elba High School

An amazing thing it is this thing called spirit. It can move a crowd; move a football team. It is really nothing more than pride, a pride that can't be released unless the cause is worthy. But sometimes the cause fails, and this moving spirit is replaced by a sorrowful one. Spirit, though, isn't confined only to school and pride. It reaches many phases of life. This such spirit and feeling make people human.

Happiness creates the Spirit which makes our school unique. The excitement of Homecoming, the laughter of Twirp Week, or just the joy of hearing a humorous joke raises a smile and compels an individual to feel that "it's great to be alive."

## ACTIVITIES

Homecoming was enjoyed by the students from

the beginning . . .

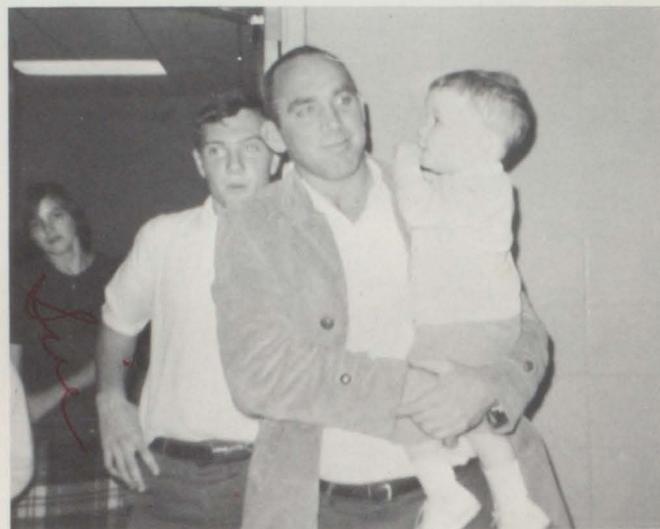

... to the end.

Students assume responsibility with gym equipment.

Rings! Rings! Rings!

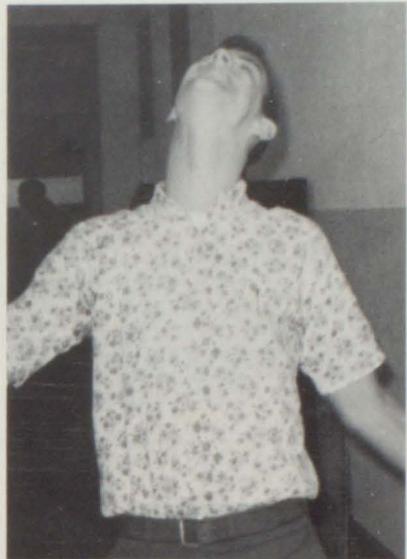

These take a "time-out" from staff work.

Juniors work hard to stage "It Happens Every Summer."

Margie,  
Sometimes I wonder about  
my feelings toward you, and  
I think that the conclusion  
I have come to is that I  
really respect you for not  
being withdrawn like boys  
and are usually expect  
girls and women to be. Good  
luck and good bye.

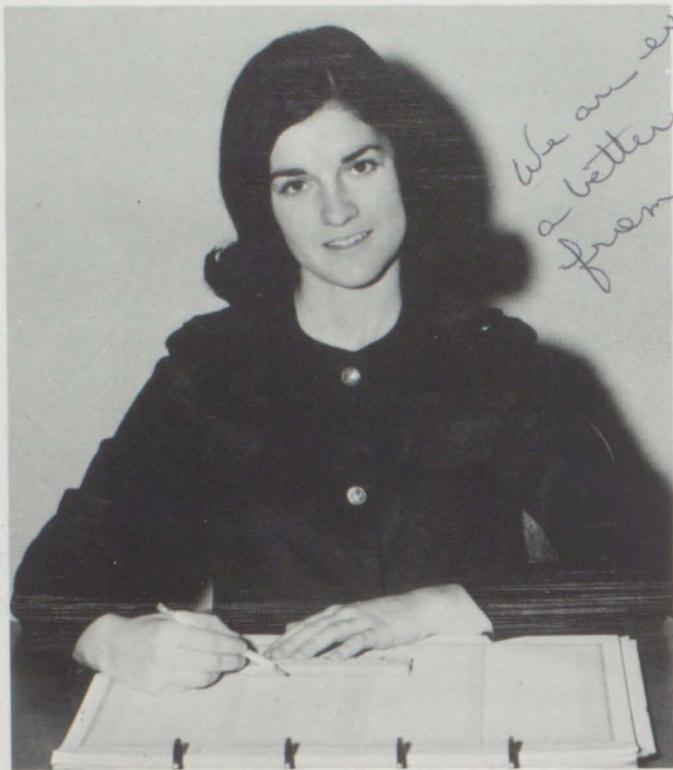

Always & forever,  
"Bubble"

Our students are spirited participants in numerous organizations. These organizations hold a school together through inner competition as the participants realize a bond of belonging and a sense of contribution.

One of the most spirited aspects of school is sports. The power that spreads through the Elba-sprinkled crowd with every goal or basket for the Tigers is the mystical power, spirit, that makes or breaks a school. It has made ours.

Everyone said that this would be a rebuilding year here in Elba, but a group of young men and dedicated coaches proved to themselves and to their town that Elba High School had a first class football team.

The Elba squad opened its 1967 season, the best since 1955, by defeating Brantley in Tiger Stadium. The next week the Tigers were defeated by a very strong Luverne team. Quite an upset on the gridiron occurred as a stunned Opp Eleven suffered defeat by the revived Tigers. Hartford and

Florala were also taken by the strong Elba team. However, the Tigers were overcome by Enterprise in their annual rival game. The undaunted spirit of the Tigers was fierce and strong as they handed defeats to Samson, Geneva, and Andalusia in succession.

An invitation and acceptance to play in the 14th annual Lion's Bowl added a crowning touch to the spirit of a proud Tiger Eleven, and the 46-20 victory over Slocomb on the eve of Thanksgiving climaxed the 1967 Tiger record.

I really am glad to say that you are one of the best friends a girl could ever have. You have stuck by me this year when I needed a friend badly. You'll never know how much I appreciate it. I always cherish your friendship.

Keep that wonderful smile because it has made some of my dull moments a little brighter.

Remember I don't know always the times when we almost got in trouble from going over there. And all the fun we had over there. (Don't tell

(the fun we had of getting out of the trouble we got into from being there.)

You and all my other friends really keep me running in circles this year. You were one of the Swingers ones who introduced me to — — in spp that night. But I'll never regret I really had fun. And then you were in on introducing me to MJD's N

and you knew I really appreciated that very much.

JUDIE DAVIS  
Reporter

In fact, they never knew how much I am grateful for it.

Better stop before I run out of space  
if I had more space  
I'd keep going.

Remember,

Marge, this has been some year hasn't it. Especially the junior year. We'll never forget the good times we have had. Next year we'll raise the roosters and the system will be completely ruined. Everyone will remember the seniors of 69! The advantage of all life has to offer and you will go far. Never forget the halls of Elba High.

Be good!  
Dorothy

To one of the ~~other~~ girls in F. H. S. I'm sure I won't ever forget the good times we've had in the past and I'm looking forward to many, many more to come. These were fun days when we used to live side by side and play dolls together weren't they? I'll never forget the times you've helped

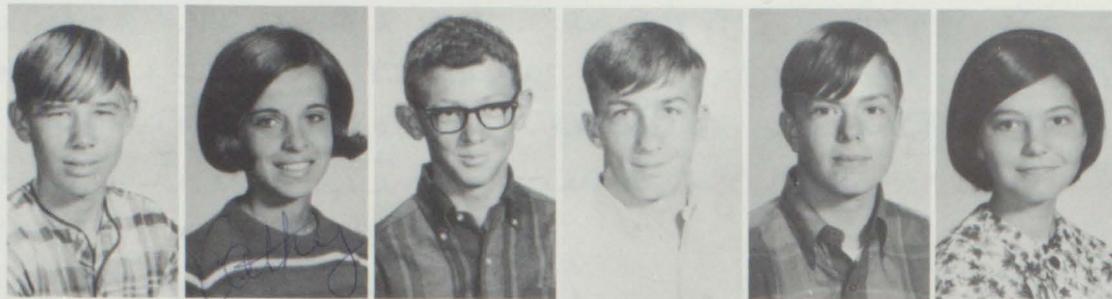

me out and all the messes I've managed to get in. May you always have the very best of everything.

Love,

I have enjoyed being  
around you this year, but it has been

May you rest here one more year  
and go I sure will note to see you  
bunch of, bat & guess all of us have to  
of sometimes. May you have the best  
of luck in everything and always  
remember our good times. Love you

With spirit the staff entered the business world with the anxiety of selling an ad and took delight in acceptance. The ELBALA thanks its advertisers for the financial assistance without which this book would not have been possible. The advertisements are reflected in the products we buy and in the pages of a yearbook.
